ARE YOU A PROUD PARENT?

Mahendra Devlekar
Motivational Guru

HOW TO TALK SO TEENS WILL LISTEN

Successful parents believe in prevention and planning. They are more proactive than reactive. You will learn several strategies to HELP you to be more proactive

Parents are the 1st and the best teachers for their children. They play a huge part in moulding the child's emotional and social need. To raise happy and confident children, effective parenting skills are required.

Would you like to see a change in your child's...

- ❖ Academic success
- ❖ Discipline
- ❖ Punctuality
- ❖ Sustained interest in arts
- ❖ Confidence level
- ❖ Anger management skills
- ❖ Social skills
- ❖ Mannerisms
- ❖ Etiquette
- ❖ Leadership qualities

Learn Best Parenting Principles...

- ❖ Focus on the problem not the child and treat child with respect
- ❖ Lose temper, you are the loser, Better to agree than to be right
- ❖ Whatever you think, perceive & speak, will get from your child.
- ❖ The first duty of Love is to listen and not to give advice
- ❖ Learn from yesterday, hope for tomorrow, live for today
- ❖ No job is more important than being a parent
- ❖ No advice to child is the best advice
- ❖ Your child is a mirror of your action/reaction
- ❖ Exam result is not the measurement of talent

You can start a Revolution in your family...
